Report on NEP Awareness Natak

Organized by Shri Gnanambica Degree College (Autonomous), Madanapalle

Shri Gnanambica Degree College (Autonomous), Madanapalle, conducted an **NEP Awareness Natak** to promote understanding and dissemination of the key principles of the **National Education Policy (NEP) 2020** among students and faculty. The event was organized under the initiative of **NEP Saarthi's**, serving as a platform to creatively communicate the transformative aspects of NEP through a dramatic presentation.

The **BCA (Artificial Intelligence)** students actively participated and performed the Natak under the **guidance of Mr. M. S. RajaniKanth**, faculty from the **Department of Computer Science**. The performance effectively highlighted the major reforms introduced by NEP 2020, including multidisciplinary learning, skill development, flexibility in curriculum, holistic education, and the integration of technology in higher education.

Through this engaging and educational performance, the students successfully conveyed the importance of adapting to the new policy framework that emphasizes innovation, inclusivity, and competency-based learning. The event received an enthusiastic response from the audience, fostering awareness and appreciation for the policy's vision of transforming Indian education.

The program was conducted under the **able leadership and encouragement of the Principal, Mrs. S. Ramadevi**, who appreciated the efforts of the students, the guiding faculty, and the NEP Saarthi's team for their dedication in promoting awareness through creative means.

Overall, the NEP Awareness Natak served as an inspiring initiative, merging creativity with education and motivating the academic community to embrace the goals of the **National Education Policy 2020** in spirit and practice.
