I know that it is not binding on the part of the College to give the revaluation results before the conduct of next Examinations.

The result of the revaluation can be expected before the commencement of the next examination or later. Hence, the failed candidate who apply for revaluation are advised to pay the examination fee and appear for the examination without waiting for revaluation results.

I declare that I will not claim any damage or compensation whatsoever from the College through any source, if there is any increase in my result on revaluation.
