

Ms. Nageswari K, M.Sc (Chemistry)  
Assistant Professor

Ms. Nageswari K is an Assistant Professor specializing in Chemistry at our institution. She holds an M.Sc. in Chemistry from S.V. University, Tirupathi, and is TSSET qualified. With 2 years of experience, Ms. Nageswari brings a fresh perspective and enthusiasm to her role in educating students in the field of Chemistry.

Her dedication to fostering a deep understanding of chemical principles and applications is evident in her teaching approach. Ms. Nageswari's commitment to academic excellence and her passion for guiding students in their academic journey contribute positively to our institution's academic environment.

As an Assistant Professor, Ms. Nageswari K continues to grow and develop professionally, making significant contributions to the education and preparation of future chemists and researchers.
